# SMART HARBOR

04/03  
-  
24/06

## >THEME

Shipbuilding industry has been hardly struck by crisis: Which future to imagine for such areas? YAC invites to redesign an old dismissed Adriatic harbor area in a play-area / wellness-entertainment centre that can amuse tourists and citizens.

Aim is to design a water landmark on the Adriatic coast: a space for public relations / a water-playground / a maritime square / a skatepark / temporary housing for tourists / whatever embodies the keywords landscape, interaction, dynamic space, fresh idea.
