

Invitation

Faculty of Architecture, Brno University of Technology, Czech Republic

would like to invite you to the **PhD students conference 11th ACAU 2022**

11th Annual Conference on Architecture and Urbanism 2022: New research directions in the volatile world

hosted on-line on November 9, 2022 by the Faculty of Architecture BUT, Porici 5, 639 00 Brno, Czech Republic

Participation in the conference is free of charge. The conference language is English. For the manuscripts that will be recommended by the reviewers for publication in the conference proceedings, the conference organizer will provide expert proofreading by a native speaker. The digital version of the proceedings will be sent to Clarivate for consideration for inclusion in the Conference Proceedings Citation Index. Papers in the proceedings will be deposited in the dSpace digital repository, assigned a DOI and indexed in Google Scholar.

For updates and conference programme please visit: www.fa.vutbr.cz/konference/phd2022

for this year we have invited the following keynote speakers:

Dr. Begüm Ulusoy, Lincoln School of Design, UK

Dr. Edyta Łaszkiwicz, University of Lodz, Laboratory of Socio-ecological Systems Analysis, PL

In the discipline the discipline of Architecture, attention will be given to contemporary research themes that focus on new research directions in education, history, theory, sustainable development and technology.

In the discipline of Urban planning, attention will be given to current research topics that focus on new research directions in the areas of education, data in urban development, quality of life in urban space, variability and resilience of urban structures, history and transformation, growth, digital transformation and renewal.
