

## THIRD FORUM OF YOUNG RESEARCHERS

On 20-22 February, 2012 in the frameworks of International Conference “Technical Universities: Integration with European and World Systems of Education” the **Third Forum of Young Researchers** will take place. Undergraduate and postgraduate students of engineering, economic and pedagogic specialties from ISTU and partner universities are invited to participate.

### OBJECTIVES

- to organize the forum for undergraduate and postgraduate students of engineering, economic and pedagogic specialties to demonstrate the results of their research work;
- to discuss the results of their research projects to get support in further research work;
- to give the opportunity for young researchers to establish international contacts;
- to compare the training of undergraduate and postgraduate students in different countries.
